Mr. Martin Matthias B.A. N.P.Q.H.
Pennaeth / Headteacher

10th July, 2020.

Dear parents \ carers,

I expect that you heard the news that schools in Wales will be welcoming all pupils back by September 14th.

I thought that I would write a brief note to say that we are beginning to make plans for this to happen, but these are in the early stages, and we await official guidance from the Welsh Government, which is not due until next week.

As you can imagine we, like you, continue to have unanswered questions, one being when our new Nursery Class can come to school, and will they have access to our wrap around provision. At this moment I do not have the answer to either of these questions, but rest assured as soon as I do I will be in touch. I do not have access to our new Nursery families e-mail addresses, but envelopes have already been stamped and addressed in readiness to send you as much information as we can by post.

I have been asked about our position on school uniform from September. I expect that we will continue to ask for pupils to come to school in clothes which can be washed and dried easily, allowing all of our pupils to come to school in freshly washed clothes each day.

As schools will no longer be in a position to offer key worker families extended days, I hope that our BAT Club will be able to operate from September, giving you the flexibility to fulfil your work commitments.

Over the next few days we will be working very closely with the Local Authority to ensure that we can open in the safest way possible. I will keep you informed of all developments, and hope by the middle of next week to have firm plans in place to share with you.

As always, can I thank you for the support you give us as a school.

With my very best wishes,

Martin Matthias
