

YSGOL PENRHYN NEW BROUGHTON C.P. NEWSLETTER

27TH MAY 2022

Ysgol Penrhyn Jubilee Celebrations were enjoyed by all. In the morning everyone joined in with Hoopla / Queen says / Guards and Robbers / Catch the Crown / Queen, Queen and King / Catch the Corgi! / Save the Crown Jewels. Followed in the afternoon with each class researching and producing a poster about a decade in the Queen's reign. Everyone was so engaged. The day was finished off with a well-deserved ice-cream!

Thank you to everyone who got dressed up, your outfits were amazing! It was definitely a day to remember. Thank you to all the staff and Mrs Hitchen who co-ordinated the successful event.

Nursery have been testing child resistant packaging for a local Testing and Development Company. The children were told that "A friend had made the bottles and needed to know if they are really good strong bottles, because bottles like this sometimes have things in them that can hurt them. The friend had asked some children

to help with this important job. Normally you must not touch bottles like this, but they are safe because they only have water in them." The children were given 10 mins to try and open the bottle. At the end of the session they were all reminded about the important message of "Don't touch, tell." The company gave a donation to the school, that will be spend on resources for our Nursery. Thank you children for being so brilliant!

Parent / Teacher Consultations: Thank you to all those families (and staff) who battled with technology to join their online meetings. I hope you found them beneficial.

Bug Hotel Competition

The Critical Care Unit at Wrexham Hospital is due to commence work soon on its sensory garden for our patients and their families. We are offering all primary schools in the area the opportunity to design a bug hotel, which is to be built in the sensory garden. The winning school will be invited to open the bug hotel and a plaque to honour their achievements will be installed.

Our Eco-Council have entered a competition to design a "Bug Hotel" for the Critical Care Unit in Wrexham.

A fabulous design!

Good luck!

Another half term over! Where does the time go? We've got a full on 6 weeks remaining of this academic year, with lots of exciting transition activities planned (especially for our Year 6.) We'll look forward to seeing you after the half term holiday, back in school on **Monday 6th June**. Wishing you a lovely Jubilee, fun-filled half term holiday!

Thank you very much for your continued support.
