

YSGOL PENRHYN NEW BROUGHTON C.P. NEWSLETTER

24TH JUNE 2022

Bikeability. Year 6 had the opportunity to complete their Level 1 and 2 Cycle Training. They have learnt skills that have helped them to boost their confidence and independent thinking, thus helping them to be a safer road user. Learning the rules of the road when young is a real boost to confidence and a very positive experience of true travel independence. All passed and are safe to use the road. They were presented with their certificates in front of the whole school this morning. Well done Year 6! I'm proud of you all!

Our **school football team** played Penygelli yesterday after school. Mr Scandariato and Mr Matthias were so impressed with their attitude and working as a team. This was the first time they have played together. They lost 3-0, however we are so proud of you all, you should be proud of yourselves too. We are arranging a few more games before the end of the school year.

Miss Rowlands and Mrs Hayes hosted our last **Stay and Play** session yesterday. It has been lovely to meet the new pupils and families starting in September. The children have had the opportunity to meet their new classmates and get to know their new classroom. We are looking forward to welcoming them next Thursday (without their families) for their transition day.

National Tests. During this last half term, all children from Year 2 to Year 6 will have completed National Welsh Tests. (Reading, Maths Procedure and Maths Reasoning) These tests are all online and adapt to the answers of your child, they get easier or harder depending on the responses. All tests are a snapshot on the day. They will be used by teachers to plan ahead and fill any gaps in knowledge.

Thursday 30th June is Common Transfer day. All our Year 6 pupils will be travelling to their new High schools to meet new friends and staff to start the next stage of their education journey. All our other pupils will be spending the morning and lunchtimes with their new class teacher in their new classroom.

Following discussion with The Chair of Governors, I feel the time is right for a change. With the new Curriculum for Wales starting to be implemented in September staff are excited for the new exciting challenge ahead. We are planning to introduce Forest School sessions for every class next year, with a focus on real-life experiences, learning new skills particularly using the outdoors. We will proudly continue to have nurture and wellbeing for all stakeholders at the heart of everything we do.

The staff structure for next year will be:

Staff will be holding detailed transition meetings next week, where they will discuss the pupils, sharing how best to meet their needs with their new class teacher before they welcome them into their new class on Thursday.

I have shared with the children who their new teacher will be today. I hope they are looking forward to meeting their new teachers and staff on Thursday.

Thank you very much for your continued support.

Mrs. Beth Davies - Deputy Headteacher
