

NEWSLETTER 14TH MARCH 2024

"Year 1 had the most wonderful and memorable day spent with some lovely residents from Pendine Care Home. The interaction, kindness, empathy and patience shown was heart-warming... a day that myself and the children will not forget. We are so grateful to have had the opportunity and look forward to many more wonderful visits and experiences. Diolch o galon" **Miss Edwards**

"I loved Betty's baby; she was cute. I gave her a cuddle" **Emily**

"We had to catch the ball on a sticky pad, it was fun. We made sure to throw gently," **Mason**

"I loved playing Bingo; I helped my friend called Coral." **Hallie**

"Painting with John was really good. I helped him to wash his brush and I moved the paints so he could reach them." **Edwyn**

"I loved going to Mummy's work with my friends. We played Ble mae..?" **Harri**

"Jason's art activity so much fun, we painted and made a fish. We worked with the residents," **Oliwia**

Mr Scandariato attended the Leader Education Awards yesterday with Mrs Scandariato. They had an amazing dinner and night in Northop. Unfortunately he did not win Teaching Assistant of the Year, however he is a winner in our eyes. Thank you for all you do in school and leading our Forest School.

Mr Scandariato and our ex-pupil and volunteer Ethan Evans took our Year 5 and 6 football team to play in a tournament in Rhosnesni High School. There were 12 teams in all, with our team playing a number of games and they qualified 7th which got them to the quarter finals. Mr Scandariato was so proud of the team with the attitude and effort they showed.

"We were really good and tried our hardest. For us to get into the Quarter Finals and had to win the penalty shootout, which we won and lost to the runners up, but we tried our best."
By Kyle

"We played some games, it was fun. I got the ball and passed it to Ossian and we won a penalty and I nearly scored it." By Lily

Here are the winners of the World Book Day competition. The children were invited to make a book character out of a household object. Mrs Lees, our school advisor and book lover had the hard job of judging the competition.

The winners were rewarded with a £10 voucher. Well done everyone for taking part and I'm sure the winners will enjoy spending their voucher.

Thank you to the 26 families from Nursery, Reception and Year 1 who attend our Easter Crafts mini workshop. The children (and mums and dads) loved being creative and making some Easter creations.

Thank you to Alex from the Little Learning Company for organising the event. I've re-posted a questionnaire to gain your feedback for what you would like in the future.

I enjoyed sailing but the boom knocked my head. I would like to go again and go to the club. We learnt how to control the boat, how to put on the gear, tying the knots and keeping safe I the boat. I enjoyed everything except the boom fell on my head. I want to learn to sail because I want to try something new and I really enjoyed it. **By Brookyn**

Today we learnt the basic parts of a boat and also how to move around it. We had to lean back and tighten the sail because "a flappy sail is an unhappy sail." We also learnt how to tie different knots which was also really fun. I would love to learnt to sail because it would be really special to me because I would be able to go sailing with my dad, like he did with his uncle on their 4 day voyage. **By Owen**

I really enjoyed sailing, it was fun. I really like steering the boat. I didn't like it when it hit me on the head. **By Zachary**

I would like to be picked because I had lots of dun doing it with Chris. We went in a boat and they were shaking the boat when we were inside it. We had to sit on the side or you could hurt yourself. I learnt how to steer, sit and you can lean back if you have your feet inside of the foot area. **By Serenity**

Today we went on the top yard to learn how to sail, there were 2 boats and we split up into 3 groups of 6. One group went to a boat, the second group went to the other boat and the last group went to try on life jackets and tie knots. We learnt parts of the boat, like the sail, boom, mast and rudder. **By Oliver**

In the afternoon we learnt about sailing. We learnt about different parts an a boat and it was fun, we learnt how to move the boat. I lived it, it was fun but I don't think it is something I want to do. The bets part was learning knots. **By Gracie**
