

NEWSLETTER 10TH OCTOBER 2025

On Monday, **Year 3** had a wonderful music session with Mrs Ellis from Wrexham Music Co-Operative. We had a session with the P-Buzz instrument which is part of the brass family. (The family that includes trumpets and trombones.)

We started off with a, 'Shakedown' warm up and learnt about a famous musician called John Williams. He wrote the music for Star Wars!

We thought about how his music made us feel and discussed the dynamics of his music (How loud and quiet it is) as well as the rhythm (Long and short notes)

We learnt that the P-Buzz has three parts: Bell, slide and mouth piece.

First, we had a practise with the mouthpiece and then were ready to play the instrument.

It made a very funny sound! 😊

We played the 'Don't buzz this one back' game and played along to music by Queen called, 'We Will Rock You!'

Diolch Mrs Ellis for a fun music session. We can't wait to welcome you back next month when we will be having our glockenspiel session!

Here is what a few Year 3 children had to say following the music session:

"We liked the funny noise of the P-Buzz!" - **Toby and Oscar**

"I wish that we could do it again!" - **Olivia**

"I really liked it because we got to learn more music," - **Mason**

"I liked the music," - **Gabe**

"I liked when Mrs Ellis told us who made the music," - **Oliwia**

"I liked when we were doing different tunes," - **Ava**

"We really liked when we played the song and the P-Buzz,"

- **Isaac and Isla**

Our Well-Being Ambassadors are super proud and grateful to all of our kind families for helping to make our 'Pyjama Day' a success! 😊

We raised a massive £228.25 for the Pyjama Appeal and have had a total of 17 pairs of brand new pyjamas donated so far.

Children's Hospital Pyjamas are a UK based charity that collect donations and brand new pyjamas for children aged between 0-18 years. These donations are then shared between local hospitals (For children who will unfortunately be spending Christmas Day in hospital), local hospices and women's refuges.

There is still time to kindly donate money or new PJ's next week.

Our Well-Being Ambassadors wanted to express their sincere thanks and gratitude:

"Thank you everyone; It was great!" - **Gregory**

"It was really great that you get to wear pyjamas if you bring money or pyjamas so thank you!" - **Emily**

"Thank you for using your time to get pyjamas for children that need them," -**Michael**

Year 1 and 2 Take Off on an Exciting Aeroplane Adventure!

On Tuesday this week, Year 1 and 2 embarked on a thrilling journey—without ever leaving school! The children came dressed in their holiday clothes, luggage in hand, ready to experience a morning full of imagination and fun.

The adventure began as soon as they arrived, designing their very own boarding passes. Excitement buzzed in the air as they admired each other's colourful outfits, eager to board the 'aeroplane.' At the boarding gate, each child presented their ticket at the check-in desk and had their luggage carefully checked by security. Once aboard, they were directed to their seats, ready for take-off.

The cabin crew, led by Miss Lloyd and Miss Owens, welcomed the young travellers, explaining the safety procedures and reminding everyone to fasten their seat belts tightly for the journey ahead. The children held on tight as the 'plane' took off on its first destination—Disneyland! There, they used their adjectives to describe the magical castle they saw.

Next, the flight touched down in Paris and then Hawaii, where they caught a glimpse of Stitch! Finally, the 'plane' flew back over Wrexham, giving the children a chance to spot familiar places they had visited on their recent mini bus trip around town.

During the flight, the cabin crew served delicious snacks and drinks, making the experience even more realistic. Miss Lloyd and Miss Owens were truly impressed by the creativity of the children's outfits and their enthusiastic participation throughout the morning.

This imaginative journey was designed to inspire the children's upcoming poetry work about the Earth and its beauty. After landing, the children returned to their classrooms, excited to share what they had packed in their suitcases with their classmates.

A big thank you to all the parents for your wonderful support in making this special experience such a success!

The sound they are learning is 'C' so everything has been 'C'. In Maths they have been counting, weighing. Learning the formation 'C' by holding a pencil and a carrot, encouraging the correct grip! Children enjoyed art by painting using carrots! They did some carrot tasting, seeing if they liked carrot raw or cooked. They have even learnt some key welsh words, oren is welsh for orange.

Health Week- Next week all classes will be participating in a range of age appropriate activities about body parts, how to keep themselves healthy and changes to their bodies and mood as they grow up. More specific information will be posted throughout the week on Seesaw by your child's class teacher. It is important for children to feel comfortable, especially as they get older, when talking about changes and know that it is a normal process that everyone goes through.

Diolch yn fawr
for your
continued
support.
