

## NEWSLETTER 1<sup>ST</sup> MAY 2026

**Notice:** Next week we will be having a practice lockdown. In whole school assembly, I will let the children know we were going to have a practice Lockdown. This is the opposite of a Fire Drill, we have to stay in the building in a lockdown.

I will explain we might need to lockdown the school and stay inside if there was a danger e.g. a dog loose on school grounds, a major fire, a disturbance or if there was a violent person in the area.

In next week's newsletter I will let you know how it went.

Our families returned for their second session of cooking with an air fryer. This week the children made homemade Chicken Nuggets with homemade tomato ketchup. They were a massive success! Thank you to all the adults who come so their children can have this experience, the children really do love spending time with you and learning new skills.

Here's the views from the children:

**Isaac** - "I liked putting the cornflakes on the chicken nuggets with Taid."

**Lexus** - "I loved making and eating the cupcakes- they were lovely."

**Lily**- "I loved making the chicken nuggets because I got sticky and messy!"

**Janelle**- "Putting things in the air fryer and watching them cook was great"

Wonder what they will be making next week.....?
