

NEWSLETTER 24TH APRIL 2026

There was a buzz in the hall on Wednesday morning. So many families came to the first 'Cooking with an air fryer' session. The children loved making cup cakes alongside their mums, dads and T aids. I know not many cup cakes made it out of the hall, they were just too yummy! Here's what the children had to say:

"I liked stirring and cracking the egg, it was fun."

"It was fun putting the icing on the cakes."

"I had so much fun."

"I really liked baking and the cupcakes were really yummy! It was really fun and my Mum came with me!"

I wonder what they will be making next week?

Thank you to all the children who were amazing during our planned fire drill Thursday afternoon. Everyone was super sensible and evacuated the building in a matter of minutes. It is so important to practice this in case there is a real emergency.

The Foundation Phase staff are asking if anyone has any:

- Cereal boxes
- Egg boxes
- Kitchen rolls
- Crisps tubes
- Plastic bottles (rinsed out)

Please can you bring these into school so the children can use them in the craft area.

On Thursday we went to YBA for a taster session of RE. The first thing we did was think about our world and what we loved most, we wrote it in a circle. We also talked about if ghosts were real.

On Thursday in YBA we did some work about 'Our World' we had to put the 5 most important things in our lives. Sir chose to talk about Noah's chicken, Kevin. We had to say why we knew that Kevin was real. We said we could see, hear, feel, smell or rudely taste Kevin. Then we had to debate if ghosts were real, then we talked about if our souls were real and where are soul is.- **Ruari**.

We drew a my world circle and wrote 5 things that we loved in the circle. Then we had to talk to see if we believed in ghosts and what would change our minds. **Cole**

Thursday we went to YBA. The first thing we did was we had to draw a circle, then we had to write what was important to us. We started to talk about Noah's chicken called Kevin. (He was important to Noah.) We were trying to figure out if Kevin was real (he is). We were talking about our senses: smell, see, hear, touch and taste. But Noah would not be happy about people eating his chicken. Then we talked about ghosts. We had to say if we believed in them or not, we had to write down our own opinion. Then we had to write down what would need to happen for us to think the opposite. **Darcie**
