Hwyl, from Lina and Amelia.

PS: we always try and add new things. Diolch Mrs Hitchen for supporting us.

Our Year 5 Playmakers are **Millie, Raven, Jacob H, Elsie, Cayson, Kajetan, Roseann, Aria, Kian and Gregory.**

On Wednesday, we took part in our Playmaker training. We learned all about what it means to be a Playmaker and the responsibilities that come with the role. A Playmaker helps to make playtimes fun, welcoming and inclusive so that everyone has the chance to join in and enjoy themselves.

During the training, we learned lots of exciting new games that can be played by everybody. Some of the games we practised were **Sharks, Four**

Squares, Elephant Hockey, Traffic Lights, Stuck in the Mud and Colours. We really enjoyed learning the rules and thinking about how we can explain them to other children on the playground.

Over the next few weeks, we will be organising and setting up games on the yard during playtimes. Our aim is to make sure that everyone has someone to play with and feels included. There is no limit to how many children can join our games, so anyone can take part whenever they would like.

We will be running different games each day to make playtimes exciting and enjoyable for everyone. By offering different activities, we hope there will be something that everybody enjoys. We are looking forward to helping everyone make new friends and have lots of fun during dinner time.

We are excited to start our new role and can't wait to see people joining in with our games! **The Playmakers**

The Evil Pea has been causing chaos in Year 1 and 2.

A very big thank you to PC Stu for answering our cry for help with locating Evil Pea.

Year 1 & 2 had lots of relevant questions to ask him and he kindly showed us how the police use fingerprints.

Everyone (including the teachers) had their fingerprints taken.

Forms

Please complete the online Form posted on Seesaw to give your permission for your child to take part in local visits e.g. park visits, walk around the local area, visits to other schools.

Year 5 & 6 Parents

As your child gets older, we recognise that some families may wish for them to walk home independently at the end of the school day. If you would like your child to leave school unaccompanied and walk home on their own, please complete the Form posted on Seesaw.

If your child brings a mobile phone to school, it must be switched off and handed to their class teacher upon arrival. The phone will be stored safely during the school day and returned to your child at home time before they leave the school site.

Please note that once your child has been released from school with parental permission to walk home independently, responsibility for their safety passes to the parent/carer.

Dear Families

Reception admissions

Please be advised that the applications for Reception school places for the September 2027 intake are now open.

Late applications are processed after those received on time, so it is important you submit your application by the closing date - 15 January 2027.

It is strongly recommended that you list more than one preference when making your application. Listing only one school, or listing the same school multiple times, does not result in a better chance of being offered that school. However, if you list only one preference and this is unsuccessful, any new preferences that you add after the closing date will be 'late' applications.

You can find information about how to apply and 'frequently asked questions' on our website - [WCBC School Admissions](https://www.wcbschooladmissions.co.uk)

Diolch yn fawr for your continued support.
